Sri V. KUMAR NAIK.—May I know what was the official business of the Deputy Minister at Ramdhol ?

*Sri S. NIJALINGAPPA.—He has to do so many things. He has to inspect borders; he has to look to jails and so many other things. If my friend looks at the subjects which are in charge of the Deputy Minister, he will know that.

Sri V. KUMAR NAIK.—Is it not a fact that the Deputy Minister has visited that place to attend the marriage ceremony ?

Sri S. NIJALINGAPPA.—I am not aware. In the course of his duties, when a relative of his or a friend of his gets married, he may go and attend it, I do not think there is anything wrong. If a friend gets married, he can go and attend it. I think there is no objection to it.

Construction of Bridges in South Kanara District.

Q.—190. Sri K. VENKATARAMANA GOWDA (Puttur).—

Will the Government be pleased to state :—

(*a*) whether construction of a bridge over the Kumaradhari river on the Kulkunda—Subramanya Road and another across Kandadka stream on the Jalsoor—Subramanya Road and three others in South Kanara have been approved for being financed from the State's share (Madras) of the Central Road Fund allocation;

(*b*) if so, when they propose to take up the said works ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works).—

(*a*) (*i*) The following three works have been approved by the Government of India for being financed from the

State's share of the Central Road Fund allocation :—

1. Constructing a bridge at mile 5/5 of Moodabidri Hosmar Road.

2. Constructing a bridge across Kandadka stream at mile 8/1 of Jalsoor Subramanya Road.

3. Constructing a submersible bridge at mile 2/6 of Kinnigoli Belmon Road at Sankalaria.

(*ii*) In respect of other two works the Government of India's approval is awaited.

(*b*) Approved works will be taken up as soon as possible subject to budget provision and the other two works on receipt of Government of India's approval.

Sri K. VENKATARAMANA GOWDA.—Regarding Kumaradhari bridge, in case it is not approved by the Government of India, will this Government meet the expenditure from the balance under the Central Road Fund now available ?

*Sri H. K. VEERANNA GOWDH.—It is a hypothetical question, Sir.

Baboor Agricultural Experimental Farm in Hiriyur Taluk and its achievement.

Q.—213. Sri K. KENCHAPPA (Hiriyur).—

Will the Government be pleased to state :—

(*a*) the number of times the Ministers visited the Baboor Agricultural Experimental Farm in Hiriyur Taluk since 1947 ;

(*b*) the achievement of the research section since 1930 (the year and the nature of the achievement may be mentioned) ;

(*c*) whether the equipment and arrangement are sufficient for research work in the Baboor Agricultural Experimental Farm, Hiriyur ;

(*d*) the yearly allotment sanctioned for this research branch since 1952 till 1956 ;

(*e*) whether the Minister who visited this institution made any enquiry regarding the work of this research branch and if so, the representations, if any, made to him and his observations and suggestions with the result thereof ?

A.—Sri H. S. RUDRAPPA (Minister for Agriculture).—

(*a*) (i) Sri T. Mariappa once (on 27th August 1951).

(ii) Sri H. Siddaveerappa once (on 18th May 1952).

(iii) Dr. R. Nagan Gowda twice (on 7th February 1954 and 19th July 1955).

(iv) Sri H. S. Rudrappa once (on 13th December 1956).

(*b*) *Vide* Appendices.

(*c*) Yes. But the question of further development of the station is under consideration and the Director of Agriculture has been requested to submit proposals in this behalf [please refer to item No. 3 under answer to (*e*)].

(*d*) *Vide* Statement appended.

(*e*) *Observations by Sri H. S. Rudrappa*	*Actionatvken*
(1) While appreciating the preparation of crystal sugar, Sri H. S. Rudrappa desired that it should be demonstrated to farmers.	This has been attended to by the Department.
(2) To effect economy over the expenditure of the station and to plan out a proper cropping programme.	The greatest possible economy consistent with proper working of the Station is being practised. Cropping programme is drawn up before the commencement of each crop year.
